WHY LOVE STREET FOOD?

**WE WANT TO SHOWCASE
YOUR PRODUCTS AND
SERVICES - THE
SUPPLIERS DIRECTORY**

We would love you to join our Suppliers Directory @ www.lovestreetfood.co.nz.

Our online directory of suppliers is designed to make it easier for established hospitality operators or new entrants to identify quality suppliers via our category listings such as Packaging, Food Suppliers etc.

Our goal is to be the go-to place for street food in NZ, whether it be customers looking to find their perfect vendor for a wedding via our street food vendor listing or new entrants/experienced operators to the street food industry trying to source suppliers to help them create or develop their street food business.

We make no secret of our target to make LSF the go-to place on search engines. Our social media presence and other initiatives will further generate traffic and ultimately result in more people seeing the products and services that you have to offer.
